WOW! Can you all believe it's **2020**? It's a new year!

Our units for January are Winter fun, Winter Animals & Dinosaurs. On **Wednesday, January 8th** please have your child bring a **labeled pair of mittens or gloves** for a fun math activity. On **Thursday, January 9th please send in a frozen shape of ice.** It can be any shape, size, or color. You can even freeze things inside (nothing important please). Use your imagination, think ahead & have fun. We will make ice sculptures, color ice and have tons of fun activities/experiments!

Please bring in a shoe box and old tie. Tie will not be returned in original condition. These things are needed for Dad's Night. **Due Monday, January 13th**.

Wednesday, January 15th is Pajama Day! (completely optional) We will come to school wearing our pajamas. Feel free to bring robes & slippers, blankies and/or a bedtime lovey. And please **label everything**!

I will be assessing the children this month for our **Parent/Teacher Conferences**. We will meet **Friday, January 24th**. I'll send a SignUpGenius later with time slots almost every ½ hour, so be sure to look for it. Please note this is, in fact a Friday, not a school day, so you may want to consider signing up back to back with a friend from class so you can take turns watching each other's children during your **parent(s) only conference** should you have any conflicts arranging childcare.

Thank you once again for sharing your children with us, we love them and enjoy seeing their smiles every day!

Blessings,

Mary Segura
