

WOW! Can you all believe it's 2021? It's a new year!

Hope everyone had a wonderful Christmas and a great start to the new year! We will be starting this year off running! Hard to believe we are halfway through the school year.

Our units for January are Winter fun, Winter Animals & Dinosaurs. We will talk about how ice and snow is formed, animal hibernation, and later we will learn about dinosaurs!

On **Wednesday, January 7th** please have your child bring a **labeled pair of mittens or gloves** for a fun math activity.

Wednesday, January 13th is Pajama Day! (completely optional) We will come to school wearing our pajamas. Feel free to bring robes & slippers, blankies and/or a bedtime lovey. And please **label everything!**

Due to Covid19 we are working on trying to have some ice for ice sculptures. This may not happen but hopefully we can work it out.

I will be assessing the children this month for our **Parent/Teacher Conferences**. We will meet via zoom. I'll send a sign up through class tag later with day and time slots, so be sure to look for it.

Thank you once again for sharing your children with us, we love them and enjoy seeing their smiles every day!

Blessings,

Mary Segura
