

Greetings Parents!

The children really loved our winter theme in January. And the weather seemed to correspond to the unit as well! Thanks for sending their jackets and labelling them. You may send hats and gloves if your child prefers; just make sure to label them as well.

We do not celebrate Dad's Night in the toddler program. The rest of the school will dismiss at noon on 2/4 to prepare their rooms for the event. Our class will dismiss at 1:30 like usual.

To celebrate Valentine's Day we will not have an actual party. But the children will exchange valentines with their classmates. Please bring valentines by Tuesday February 11th. More details to come – check cubbies.

Monday, February 17th is Presidents Day and the school will be closed.

Scholastic Book Orders for February are due 2/27. You may order online or with the order forms we send home. There are great deals (\$1-\$4 for most books). And we accumulate points to expand our classroom library. Thanks to those that have ordered this year. Some of the books we recently read during our Winter unit were purchased with points you accumulated for us.

Best,

The Purple Butterfly Team
