

Dear Parents,

It is really hard to believe that we have reached the end of our school year! What a wonderful year it has been. The children have grown up so much. They are truly precious, and Mrs. Zarse and I have enjoyed every minute we have spent with them!

Our last few weeks of school will be packed with fun. We start our month with Summer Fun and Under the Sea, followed by Beach, then finish up playing and learning with our favorite things.

On May 18th we will enjoy some water activities as part of our Beach unit. I will be sending more details by email and in your child's folder.

Our last day of school is May 25th.

Once again, I want to thank you all for the privilege of teaching your children this year. It has been a joy to have each and every one of them in our class!

Christy Meier
